

# Crossroads at work - In Your Community.

Crossroads Utility Services is pleased to announce a new initiative available to your residents called **In Your Community** sponsored by Crossroads Utility Services. **In Your Community** is a financial assistance referral program designed to help a Crossroads customer pay their water bill.

How does it work? An account holder with Crossroads can visit [www.crossroadsus.com/inyourcommunity.html](http://www.crossroadsus.com/inyourcommunity.html) and fill out an application referring another account holder in their community who needs financial assistance to pay their water bill. Crossroads will review applications monthly, select one applicant for the month, and make a one-time bill payment for the customer in need of assistance. Neighbors helping neighbors overcome difficulties. This is a small way we can serve our residents while strengthening the neighborhood **In Your Community**.

For more information about this new initiative, please contact [community@crossroadsus.com](mailto:community@crossroadsus.com)

We are local.  
Helping those in  
need - In Your  
Community.
