The real property that you are about to purchase is located in Sonterra Municipal Utility District (the “*District*”) and may be subject to district taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the district property tax is \$0.7035 on each \$100 of assessed valuation.

The total amount of bonds payable wholly or partly from property taxes, excluding refunding bonds that are separately approved by the voters, approved by the voters are:

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Jarrell. Texas law governs the ability of a municipality to annex property in the municipality’s extraterritorial jurisdiction and whether a district that is annexed by the municipality is dissolved.

The district has entered into a strategic partnership agreement with the City of Jarrell. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the district located in the municipality’s extraterritorial jurisdiction.

The purpose of the district is to provide water, sewer, drainage, flood control, and parks and recreational facilities and services. The cost of district facilities is not included in the purchase price of your property.
